This delectable lasagna soup recipe is an easy way to enjoy all the comfort of lasagna with minimal work. It's saucy, cozy, and family-loved!

Ingredients

- | | |
|------------------------------------|------------------------|
| For Strawberry Brownie Mix: | For Glaze: |
| • 1 box strawberry cake mix | • 1 cup powdered sugar |
| • 2 large eggs | • 2 Tbs water |
| • 1/3 cup vegetable oil | |

Directions

1. Preheat oven to 350 F
2. Spray an 8x8 square dish with nonstick cooking spray
3. Combine cake mix, eggs and vegetable oil until just combined and all lumps are smooth - do not over mix! Batter will be very thick.
4. Pour into greased baking dish and bake 30-32 minutes, or until brownies are set (brownies will continue to cook and firm up a little while cooling, but you want them to still be a little dense in the middle)
5. In a separate bowl, whisk together powdered sugar and water and pour over brownies while they're still warm.
6. Allow brownies to mostly cool before cutting
7. Enjoy!

HAVE YOU EVER WONDERED WHY WE GIVE FLOWERS, WRITE CARDS, OR EXCHANGE SWEET GIFTS ON VALENTINE'S DAY?

The tradition dates back centuries and has roots in both ancient history and heartfelt legends. Valentine's Day is named after Saint Valentine, a Christian martyr from the 3rd century. According to one popular story, Saint Valentine secretly performed marriages for soldiers who were forbidden to marry under Emperor Claudius II. His acts of love and defiance cost him his life, and he was executed on February 14. While in prison, he is said to have written a note to the jailer's daughter, signing it, "Your Valentine."

But the celebration of love didn't stop there. Valentine's Day also has ties to the Roman festival of Lupercalia, a mid-February event that celebrated fertility and the coming of spring. In the 5th century, this festival was replaced with a day to honor Saint Valentine, and over time, it became a day to express love and affection.

By the 18th century, people were exchanging handwritten notes and small tokens of love. Fast forward to today, and those traditions have blossomed into the cards, flowers, chocolates, and romantic gestures we all recognize.

So, the next time you hand someone a bouquet or write "Be mine" on a card, you'll know you're continuing a tradition rooted in centuries of love and connection!
